Community Service Form

Name of Student Alma Alicia Padilla

Grade 9th grade

All students at Sacramento New Technology High School are required to complete 40 hours of community service over the course of their four years of high school. These hours are intended to provide them with the experiences in the community that connect them to the ever present needs in our community for giving and serving. Please complete the form below providing the following information:

- Name of organization the student volunteered with
- Dates of volunteer service
- Tasks completed for community service hours
- Total hours completed with organization
- Signature & title of Supervising Employee/Volunteer Coordinator

When completed, each student is to provide a copy to their Advisor, scan their original to their Professional Digital Portfolio and keep the original.
